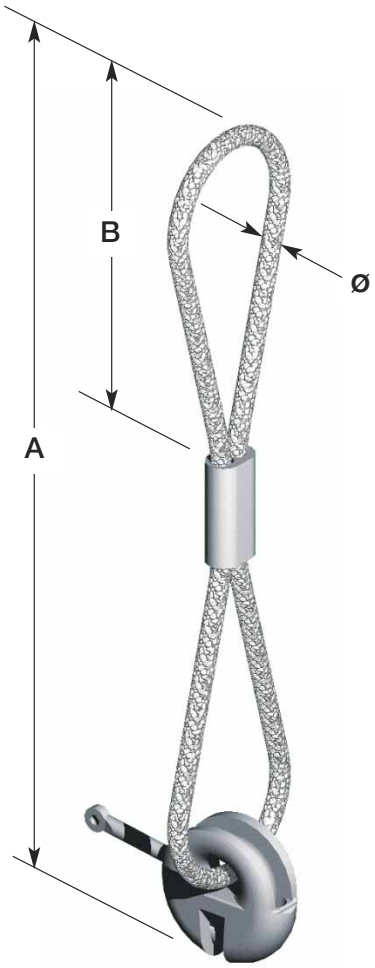
RL-39 Cable Ring Clutch



22-Ton

The RL-39 Ring Clutch – Cable is identical in use to the standard ring clutch, but is fabricated with a wire cable bail for more versatility. It is often an effective answer for difficult lifting and rotation challenges.

RL-39 CABLE RING CLUTCH DATA								
Item	Ring Clutch System	Clutch ID[2]	Item Number	A	B	Cable Diameter Ø	Weight per Piece	Clutch Capacity (ton)
