

# 1/8" Cable Loop

The 1/8" Cable loop is a 1/8" thick stranded cable by 6" tall cable lift loop that fits into our existing MB Plus Cable Loop Lifters. The new 1/8" cable loop is rated for a Safe Working Load of 500 pounds and works similarly to other MB Cable Loop+Plus Lifters.

The entire MB Plus Cable Lift Loop System has been reviewed and evaluated by the Meadow Burke Engineering Staff.

Meadow Burke has QA/QC in place to inspect each delivery. Our technical and engineering support is available to assist customers as needed.

All lifters are tagged and painted for lifter safety.

1/8" CABLE LOOP DATA				
Tag Colors	SWL	A	H	WIRE
Yellow	0.50 kip	2.36"	5.98"	1/8"
White	2.00	3.94"	8.25"	1/4"
Red	2.30	4.31"	8.88"	9/32"
